

COVID RULES FOR HOTELS IN AUSTRIA FROM 12.12.2021

Dear Guests,

The **Austrian Federal Government** has issued the following covid rules to take effect:

2G RULES (VACCINATED & RECOVERED)

The rules apply to **all hotel and restaurant operations**.

Currently, the hotel is only permitted to welcome guests who have been **VACCINATED** or have **RECOVERED**.

UNFORTUNATELY, GUESTS WHO DO NOT MEET 2G (V/R) CRITERIA CAN NO LONGER BE ACCOMMODATED HERE. THIS RULE APPLIES TO ADULTS AND CHILDREN AGED 15 YEARS AND UP!

Obligations for 2G guests (vaccinated / recovered)

All guests who have been **VACCINATED** or have **RECOVERED** must be able to present the respective documents and certificates.

Printed or digital documents of medical status **MUST BE SHOWN** at check-in.

2G = VACCINATED (EMA-approved vaccines) **OR RECOVERED** (up to a maximum of 6 months of medically-certified recovery). Medical proof of antibody levels will not be accepted.

Individuals who have been advised against vaccination for health reasons are obliged to provide official medical proof thereof.

The following rules apply to **minors**:

- Children aged 0 – 11 years do not require any medical certification.
- Children from the age of 12 who fulfil 2G, do not require any further proof.
- Children of school age (up to 15 years) who do NOT fulfil 2G may arrive and be accommodated with a valid PCR test.
A negative test result must be maintained throughout the stay and therefore renewed every 72 hours.

TESTING AT THE HOTEL

- We provide free gargle tests for adults and children (if required). The result is available after approx. 12h.
- Alternatively, we also have free antigen tests for you (throat or nasal swab self-test).

MASK MANDATE

- **FFP2 masks must be worn** in all publicly-accessible areas of the hotel.
- Masks are not required for sporting activities.

TEAM YOUNIQUE

The vast majority of employees at the hotel have been fully vaccinated, and the programme of booster jobs (3rd injections) is well underway. The few **unvaccinated employees** are subjected to **PCR tests every 72 hours**.

Please make sure you are familiar with re-entry requirements for returning to your home country. You may be required to complete an **entry / re-entry form**.

The Seyrling family & The Klosterbräu team

STATUS: 26TH DECEMBER 2021. The measures implemented at the hotel are continuously being adapted to the latest official regulations issued by the Austrian Federal Government.
